aatteenne puolesta kaatuneet toverit!**

MEMORANDUM FOR THE DIRECTOR
DATE: 1954

The following information was obtained from a review of the records of the Department of the Interior, Bureau of Land Management, regarding the proposed acquisition of land for the establishment of a national monument in the State of California. The land in question is located in the County of San Diego and is owned by the State of California. The proposed acquisition is for the purpose of preserving the natural resources and scenic beauty of the area. The land is situated in the vicinity of the town of San Marcos and is bounded by the San Marcos River to the north and the San Marcos Valley to the south. The proposed acquisition is for a total area of approximately 1,000 acres. The land is currently being used for agricultural purposes and is owned by the State of California.
