**FINNISH MARITIME ADMINISTRATION  
DECISION  
ON THE AMENDMENT OF SECTION 9  
OF  
THE ICE CLASS RULES, 1985**

Helsinki, 31 January 1995

---

The Finnish Maritime Administration has  
*amended* Section 9 of the Ice Class Rules, issued on 2 September 1985 as follows:

Section 9  
Ice Class Draught

The Ice Class of a ship shall be based on the ice class that the ship has on a draught which is determined by the official Load Line Mark and the draught which according to the International Tonnage Certificate forms the base for the net tonnage.
